HOTEL CHOCOLAT—This independent UK-based company is serious about the chocolate business, and abides by a “Less Sugar More Cocoa” mantra. But, when it comes to enjoying the stuff, **Hotel Chocolat** is all about fun and Brit wit. Only estate grown, top-quality cocoa beans and natural ingredients are used in products like champagne truffles, chocolate slabs, The Purist collection, and other goodies. Private tasting room, by appointment. www.hotelchocolat.com. 141 Newbury St., 617.391.0513. **F4**
