

Buying a new electrical item from us?

We'll recycle the one you're replacing for free. Everything with a plug, battery or cable can be recycled and turned into something new.

Simply bring the old electrical item in within 28 days, show us the receipt for its replacement and we'll do the rest.

Why Recycle?

Unwanted electrical equipment is the UK's fastest growing type of waste. Many electrical items can be repaired or recycled, saving natural resources and the environment. If you do not recycle, electrical equipment will end up in landfill where hazardous substances will leak out and cause soil and water contamination – harming wildlife and human health.

Please speak to a member of staff for details on how to dispose of your Waste Electrical or Electronic Equipment (WEEE).
